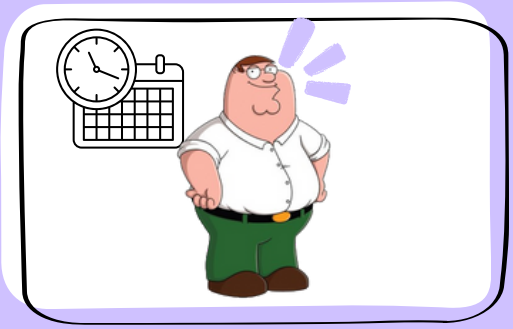
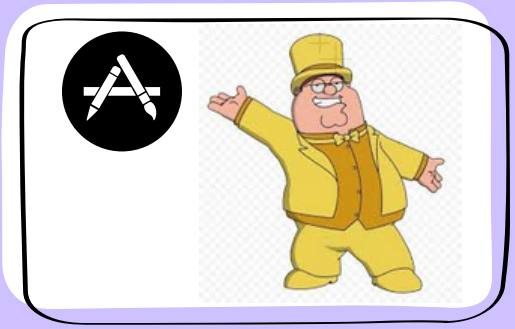
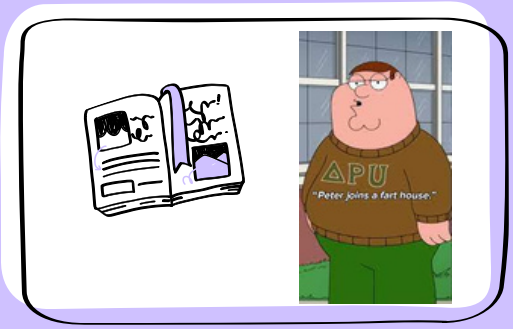
Persona: College Student–Peter Griffin
Scenario:
Creating a college schedule



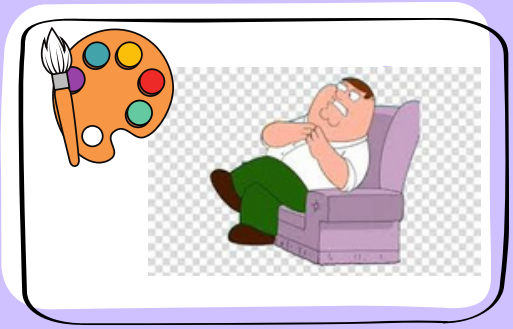
- Peter needs to make a schedule that works with his fraternity and intramural team



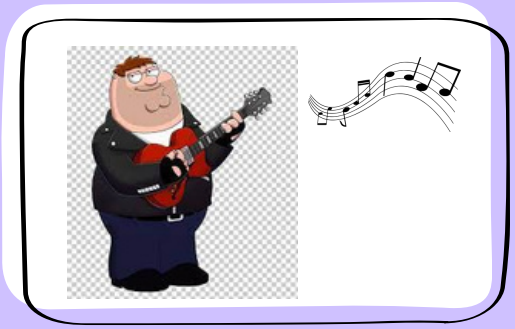
- Peter turns to the app store to download his university's scheduling software



- Peter is able to schedule his core classes in a regular manner



- Peter can schedule the times of his elective/major classes for week to week.



- Peter can now flex his schedule for day-to-day events that w.ere not planned

- Peter now has more time to be with his friends and family! Peter no longer has to wake up at 8 a.m. on a Monday morning for class!
